President's Letter

In the last few months we have gotten several new members. This is great. The only problem is with me — there may be times when I don't go into enough detail, for the new people, on an upcoming event because it is something that we have been through before and I make the wrong assumption that everyone knows what I am talking about. If I make an announcement of an event that we have held before I need the long term members to make sure I am detailed enough.

The Open Turning went well — thanks to Derrick for an interesting presentation.

ART Equipment: As you know we are trying to get a handle on the equipment ART has and needs and its current condition. I think we made a good start at the open turning. Many thanks to Ralph Rumery as he has taken the lead on this project.

Darragh is tracking down the video equipment. Thanks to both for taking on these tasks.

The treasury: No one has come forward with any ideas for the money we currently have. Come on members there must be some new tool you want to try out, book or DVD you want to see.

That reminds me I would like to thank Cat Francis for organizing our DVD and book collection. Thanks Cat for a fine job.

President's Gripe of the Month: We are running out of Anchor Seal. We can order another 55 gal. drum but it needs a home. As you read over the above letter there are several members helping the club. This is not even counting the officers. We need someone to step up and say they will provide a home for the drum. That's all! Just a home! Either John Early or myself will come to you once every few months and fill up several jugs. There is literally nothing more you need to do. So when John Early (thanks for doing a great job with supplies) stands up in a month or two and says no more Anchor Seal, you'll know why. P.S. It cannot be someone who is already doing something for the club. {See Officers list and people noted above.}

Safety First!

- Always wear a face shield !!
- Make sure your tail-stock is LOCKED before turning on the lathe!!!
- Never move the tool rest while the lathe is Spinning.
- When you have to chase your lathe around the room, you're turning speed is too high.

AAW | AMERICAN ASSOCIATION
OF WOODTURNERS

Business Meeting Minutes, February 20, 2016 *Mark Holden, Secretary*

10:14 meeting opened.

Attendance approximately 38 and 2 new visitors.

New visitors: Larry Briggs, new to turning.
Mark Wheeler, turned many years ago, starting again.

John mentioned the club mentor list can be found on the ART website. (It's also in this newsletter.)

Reports

Membership Director: 53 paid members.

Treasurer: \$5,825.94 balance

Internal VP: 4-5 meetings still need demonstrators.

Steve Reznek offered to do a Greenland slide-show, raise of hands showed interest.

External VP: It was suggested that since we have a lot in the bank we should pursue professional turners, Mike Mahoney, John Beaver, David Elsworth were suggested. Mike S. will contact them for availability and costs/expenses.

Supplies Coordinator: free black super glue samples available. Doing better than breaking even, costs are going up. Need a volunteer to store the Anchor Seal drum about mid-year.

Equipment Coordinator: All equipment brought in today will be color coordinated with duck-tape and an inventory taken. New inventory sheets will be created for the 3 lathes with name/date of storage provider listed. Suggested that a 6-month limit be given to each storage provider and if no one wants to take over the care can be extended for another 6-months. Motion made, seconded and approved.

Librarian: Library is online and in the newsletter.
We have books that need to be added to the lists.

New Business

Steve Mittleman brought up the condition of the club sign at Woodcraft and suggested we replace it. George Romanski offered to cut one out of wood on his CNC. Mark Holden to design new one and run past officers.

Club patch: Black border with navy logo agreed to. Kathy Fisher to have 100 made for \$25. Motion for one free to each paid member, seconded and approved. Mark to get artwork to Kathy.

Smocks discussed. Voted for Darragh to take orders and collect \$ and order green smocks from TimberBits. Motion made, seconded and approved. Kathy Fisher will then coordinate adding patches and embroidering names.

Club is renewing the AAW \$95 insurance.

Bylaws have been updated and are with AAW for review.

Duncan and John will work to get email list current.

Announcements

Woodcraft corner display will run until club ends it.

Empty Bowl donations, if you wish to participate bring your donations to the March meeting.

Arnold Arboretum show still on, will run Oct. 21-23.

Woodcraft looking for part time help.

10:46 meeting adjourned.

Short break followed by Derrick Te Paske's slide show, show & tell, open turning, lunch, wood swap drawings and close of silent auction.

Donations for Empty Bowls Project

Gary Kaplan has invited ART members to donate to this fundraising event to help end hunger.

It is an international grassroots effort to raise both money and awareness in the fight to end hunger. **Please bring your wooden bowl(s) donations to the March meeting.**

Small bowls will be event attendees gifts, large bowls may end up in an auction!

Visions from the Lathe: Selections from the Massachusetts South Shore Woodturners

March 12, 2016 – June 5, 2016

In 1996, the Massachusetts South Shore chapter of the American Association of Woodturners was founded with a group of approximately ten individuals. Today, over 60 woodturners are part of a group that promotes an appreciation of wood through education, demonstrations, and occasions for public display.

Visions from the Lathe will mark the 20th anniversary of the chapter. This exhibition brings together an exciting variety of approaches to form, color, grain, and texture.

Admission: Adults \$10 Seniors \$8

5th AAW National Segmented Symposium

October 27–30, 2016 at the Boston Marriott, Quincy.

ART Mentor Program

The purpose of this program is to provide a resource for members who need a bit of help.

Whether you're a beginner or a more experienced turner, whether you need an all-day session or 20 minutes worth of pointers, the mentors are here to help you. Feel free to give a mentor a call or approach them at the next meeting.
