President's Letter

Happy January Arties

Arboretum

The Arboretum has confirmed that there will be "The Art of the Woodturner III" in 2017.

I would like more participation this year.

Wood Swap

We can always use more wood.

Chelsea Empty Bowl Project

Gary will have more info on this at the meeting.

Learn and Turn Mentor

I would like to get a permanent one – I need someone to stand-up and take this on.

President Note:

Today I take keyboard in hand and write my last President's Letter.

On the whole I have enjoyed my tenure as president of ART. I am especially proud of the times members have approached me to tell me that they feel I am doing a great job. As I have said before it is disheartening to see the same members helping the club at each event.

It's time to Start giving back to your club.

Be Safe and Happy Turning!

John Flynn, POART

Next Meeting is

An ART milestone!

We are 15 this year.

There are plans to order
T-shirts with this artwork.
Details and an order form will
be at the upcoming meeting.

An example of the art size and
placement can be seen in the
picture of John Flynn on page 4.

Safety First!

- Always wear a face shield !!
- Make sure your tail-stock is LOCKED before turning on the lathe!!!
- Never move the tool rest while the lathe is spinning.
- When you have to chase your lathe around the room, you're turning speed is too high.

Bartram's Boxes Remix

Fuller Craft Museum

January 21, 2017 to April 16, 2017

455 Oak Street, Brockton, MA 02301 • 508.588.6000

Bartram's Boxes Remix is a collaborative project between the Center for Art in Wood in Philadelphia and Bartram's Garden, home of famed 18th century explorer and botanist John Bartram. The pieces in this traveling exhibition reference the boxes containing seeds, plants and curiosities that John Bartram sent back to his colleagues and clients in England. The show includes sculptural objects and installations created out of salvaged wood and other materials found in Bartram's Garden.

An opening reception to celebrate Bartram's Boxes Remix will take place on Sunday January 22, 2017 from 2:00 – 5:00 pm. Join us for a panel discussion at 3:00 pm, discussing the history of Bartram's Boxes Remix and artist responses to work in the exhibition. The panel will be moderated by Albert LeCoff, Director of The Center for Art in Wood in Philadelphia with artists Mitch Ryerson, Amy Forsyth, and Michael Broly.

The Reception is included with admission fee. • 3 pm Panel Discussion: \$7 Members / \$15 Nonmembers
