## President's Letter

Dear Fellow Turners,

It has been quite a while since my last President's Letter. Our combined efforts at both Topsfield and the Arnold Arboretum were quite successful. Topsfield generated in excess of \$5,000 in revenue. Many thanks to Ron Pouliot for the tremendous effort

that went into organizing, staffing, and managing that event, and thanks to all who participated as well. The Arboretum event is principally focused on education. Our work is shown along with that from CNEW and South Shore. A number of pieces did sell, however – a testament to the quality of the work you all do. It was great to see so many excellent pieces displayed in one place at one time.

We have begun the process of scheduling demonstrators for next year and want to be sure to make this the best possible experience for everyone. Our ability to meet your needs is only as good as our understanding of what you think would make ART better. Between now and the end of the year I hope to talk directly with many of you to get your inputs. Take a minute, send me an email. Let me know when it would be convenient to call.

Many of our members are fairly new to turning. Don't hesitate to reach out to more experienced turners for advice, guidance. Many of us enjoy helping fellow turners get started.

I look forward to the conversations and to another great year at ART.

*Ken*

### December is the Holiday Swap.

Time to check your inventory or start a small project – you have a month to complete something to bring in if you wish to participate.
